SUMMARY

Hi, I'm Jishnu, a BCA graduate and a dedicated junior MERN stack developer passionate about creating user-friendly web applications. I've developed projects like a social platform , an e-commerce platform, and a Learning Management System (LMS). I'm eager to expand my skills by learning React Native for mobile app development. I enjoy collaborating on projects and tackling challenges to grow as a developer.

EXPERIENCE

Web Developer Intern
Zoople technologies — 1 month

Web Developer Intern
Bytedart — 2 month

Full Stack Developer — December 2024 – Present
Rootments Enterprises LLP
